AS PASSED SENATE

A BILL TO BE ENTITLED

AN ACT

To amend Code Section 20-2-55 of the Official Code of Georgia Annotated, relating to the per diem reimbursement, insurance benefits, and expenses of local school board members, so as to prohibit per diem or salary compensation for certain at-fault board members during a period of time that the local school system has its accreditation revoked, suspended, or placed on probation; to provide for appeals; to provide for related matters; to provide for an effective date; to repeal conflicting laws; and for other purposes.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

SECTION 1.

Code Section 20-2-55 of the Official Code of Georgia Annotated, relating to the per diem reimbursement, insurance benefits, and expenses of local school board members, is amended by revising subsection (a) as follows:

"(a)(1) In any local school system for which no local Act is passed, members of the local board of education shall, when approved by the local board affected, receive a per diem of \$50.00 for each day of attendance at meetings of the board and while meeting and traveling within or outside the state as a member of a committee of the board on official business first authorized by a majority of the board, plus reimbursement for actual expenses necessarily incurred in connection therewith; provided, however, that in any independent school system with a full-time equivalent (FTE) program count of less than 4,000 students for which no local Act is passed, members of the local board of education may, when approved by the affected local board, receive a per diem of not less than \$50.00 and not more than \$100.00 for each day of attendance at meetings of the board and while meeting and traveling within or outside the state as a member of a committee of the board, plus reimbursement for actual expenses. The accounts for such service and expenses shall be submitted for approval to the local school superintendent. In all school districts the compensation of members of local boards shall be paid only from the local tax funds available to local boards for educational purposes.

(2) For purposes of this paragraph, the term:

(A) 'Accreditation' and 'accrediting agency' means that accreditation and accrediting agencies recognized and provided for in paragraphs (6) and (6.1) of Code Section 20-3-519.

(B) 'School system failing' shall mean a local school system or school that has its accreditation revoked, suspended, or placed on probation, or is placed on the level of accreditation immediately preceding loss of accreditation.

The provisions of this subsection notwithstanding, during any period of time in which a school system is failing, any member of the failing school system's local board of education who is named in a report by an accrediting agency as having violated policies or standards or caused a violation of policies or standards of the accrediting agency which action or inaction is a basis for the school system failing, shall not receive, be entitled to, or earn a per diem reimbursement or salary. The school board member may appeal to the State Board of Education in writing the loss of per diem reimbursement or salary within ten days of being notified of such loss. If the State Board of Education finds that the school board member has not violated policies or standards or caused a violation of policies or standards, the local board of education shall return the per diem reimbursement or salary to the local board member."

SECTION 2.

This Act shall become effective upon its approval by the Governor or upon its becoming law without such approval.

SECTION 3.

All laws and parts of laws in conflict with this Act are repealed.
